	Nurse Support* <input type="checkbox"/> Please check this box if you would like your patient to receive nurse-supported* patient education on VELETRI® mixing (reconstitution), administration, and management. Janssen-sponsored nurse support* is available to patients who are learning to self-mix their VELETRI® therapy. *Janssen-sponsored nurse support is limited to education for patients about their Janssen therapy, its administration, and/or their disease. It is intended to supplement a patient's understanding of their therapy, and is not intended to provide medical advice, replace a treatment plan from the patient's doctor or nurse, directly provide case management services, or serve as a reason to prescribe. Program rules and limitations will apply. Note: Order for this drug is not inclusive of skilled nursing home health services. To request skilled nursing services for home infusion therapy, the referring VA provider should enter a COMMUNITY CARE-GEC SKILLED HOME INFUSION therapy consult. The VA facility community care office will coordinate the requested service through CCN (Community Care Network) or VCA (Veteran Care Agreement) as appropriate.
